

## Shopping list for draught proofing skirting boards and heating vents

You will need:

- Fullers Ultra Clear. Cost: \$8 per tube with nozzle and a good caulking gun (if you haven't already got one)

This product will be available at Magnet Mart and other independent hardware stores. It is NOT available at Bunnings.

They no longer stock it - the only stock Selleys. products.

- Moroday Gap Filler Rod Cost: \$5 for a 5 metre pack.

Comes in 6mm, 10mm and 15mm diameters. You select a size that is about 3mm larger than the crack or gap that you need to fill as it squashes down. Using this stuff saves you having to waste lots of caulk trying to fill up large gaps and cracks.

You can buy it in packs or by the metre.
